NUTRITIONIST

A skilled community nutritionist with 13 years of experience and proven counseling and administrative skills. Experience working with the Women, Infants, and Children (WIC), the National School Lunch, Child and Adult Care Food, and Summer Food Service programs with expertise in focused nutrition counseling to families regarding dietary needs. Resourceful, versatile, creative, detail-oriented, and works well independently and as part of a team.

RELEVANT EXPERIENCE

- 200X–present **Nutritionist**
Greater Columbus Community Food Bank, Columbus, OH
- Coordinate and conduct after-school nutrition programs for community agencies.
 - Perform food pantry demonstrations for member agencies.
 - Conduct training of nutrition evaluation systems to help agencies select more nutritious foods for their clients.
- 200X-200X **Coordinator**
Indiana Department of Education, Indianapolis, IN
- Planned and coordinated the Child and Adult Care Food Program (CACFP) in child and family day care and adult day care programs.
 - Provided technical assistance and training to schools, institutions, childcare centers, and summer food program sites that were child nutrition programs.
 - Prepared corrective action for sponsoring agencies and worked with staff to ensure compliance with federal regulation.
- 199X-200X **Nutritionist**
Bureau of Public Health, Office of Child Nutrition, Indianapolis, IN
- Coordinated and conducted annual monitoring of eight Women, Infants, and Children (WIC) programs.
 - Provided technical assistance to local agencies to ensure compliance with federal regulation.
 - Interpreted federal regulations to write policy that was suitable for local agencies to implement.
- 199X-199X **Nutritionist**
Women, Infants, and Children (WIC), Indianapolis, IN
- Provided dietary counseling and nutritional assessment to WIC participants.
 - Served as a nutrition resource for health care providers.
 - Developed, evaluated, and implemented lesson plans for nutrition education classes.
